- * A QR code can be downloaded from the Congress system for each poster that has an accompanying recording and will be printed along with the poster. Please insert your recording into your e-poster file. Viewers will be directed to a link where they can hear the recording prepared by the poster presenter when the QR code is scanned.
- * The e-poster receiving the highest number of image scans will be selected as the Best E-Poster. Selection results will be announced in the April issue of *Ocular Surgery News – APAO Edition*.
- * Presenters will automatically be eliminated from the selection if no recording or image is provided.
- * The first authors of each e-poster, who are the presenters, will be given a 'program participant' ribbon that they can attach to their delegate badge to recognize their participation in the submitted program.
- * **We can also display your e-poster in the Congress app provided that you convert your e-poster slide to a PDF file. Please upload the PDF file to the server along with the e-poster slide and the recording.**

✧ **Submission Deadline:**

- * All files must be submitted by **February 12, 2017** at 11:59 pm (GMT + 8). It is not mandatory to prepare a recording. Authors can submit just the e-poster slide.
